Veteran actor Shammi Kapoor who asked Deepika Padukone over a cup of coffee just few days back, is planning his next date with Deepika's rival Katrina Kaif.

A source revealed that Shammi Kapoor had expressed his desire to have coffee with Katrina. However, when asked, Katrina just ignored the question.

Katrina has been linked with Kapoor Jr. Ranbir ever since she appeared opposite him in a romantic-comedy "Ajab Gajab Ki Prem Kahani". However, the two have often denied such talks.

Wonder, if the coffee beans with Shammi Kapoor can create some spice in Kat-Ranbir relationship??
